

PROF. GIANLUCA GAMBARINI

Prof. Gianluca Gambarini is an international lecturer and researcher, author of 450 scientific articles, three books and many chapters in other books. He has lectured all over the world and has been invited as the main speaker in the most important national and international endodontic congresses in Europe, North and South America, Asia, the Middle East, Australia and South Africa. He has focused his interests on endodontic materials and clinical endodontics. He is actively cooperating with many manufacturers all over the world to develop new technologies, operative procedures, and materials for root canal treatment. Prof. Gambarini is an official member of ANSI/ADA and ISO Committees for Endodontic Materials and an active member of IADR, the Italian Society of Endodontists (SIE) and European Society of Endodontology (ESE) and an associate member of AAE. He is a former Scientific editor of the Italian Journal of Endodontics (G.It. Endo), official Journal of Italian Society of Endodontists (SIE) and is currently the Country Representative for Italy in the ESE. Prof. Gambarini is in private practice limited to Endodontics in Rome, Italy.
